Project fiche

<p>TITLE OF THE PROJECT</p>	<p>Providing support to entrepreMOMship</p>
<p>Funding programme Indicate the selected funding programme and call and the priorities the project wants to address</p>	<p>KA2 - capacity building on the field of youth 24 months</p>
<p>Objectives General and specific objectives of the project</p>	<p>General: - Encourage young moms to become entrepreneurs; - Provide skills & competences to young moms; - Boost self-confidence in the entrepreneurial field Specific: - To have a start up where moms can make their dreams real; - Help young moms develop their own business plan.</p>
<p>Target groups Who will use and or benefit from the outputs?</p>	<p>30 moms from 6 different countries + their children The countries involved in the project will be: - Spain - Romania - Italy - Greece - North Macedonia - Bulgaria 18-26 years old</p>

First activity will be

- Org: - Acquire skills in the field of entrepreneurship ~~teams~~
- L: - They'll develop soft sk, em sk, opportunities to change their life, to build a better life
- Create new expectations for them
 - Break the stereotype that being a young mother it's smth bad
- LT: - It will decrease the unemployment rate among young moms
- After the project ends they will have access to more funds
 - In the future moms will manage the hub themselves from other moms
- STF: - We will improve our skills: critical thinking skills, softness, empathy, the ability to plan
